ROSEBUD
PUBLISHED BY
SENIORS OF
WATERLOO H.S.
WATERLOO INDIANA
CLASS OF 1959
XLVI VOLUME

Dedication

"We, the Senior Class of 1959, wish to dedicate this forty-sixth volume of the Rosebud to Mr. Dove and Mrs. Love--To Mr. Dove who has guided us through our climatic year of high school; to Mrs. Love who has given so unselfishly of her time in the production of our class plays and the publishing of our annual.

To these two we want to express our sincere appreciation and gratitude.

Foreword

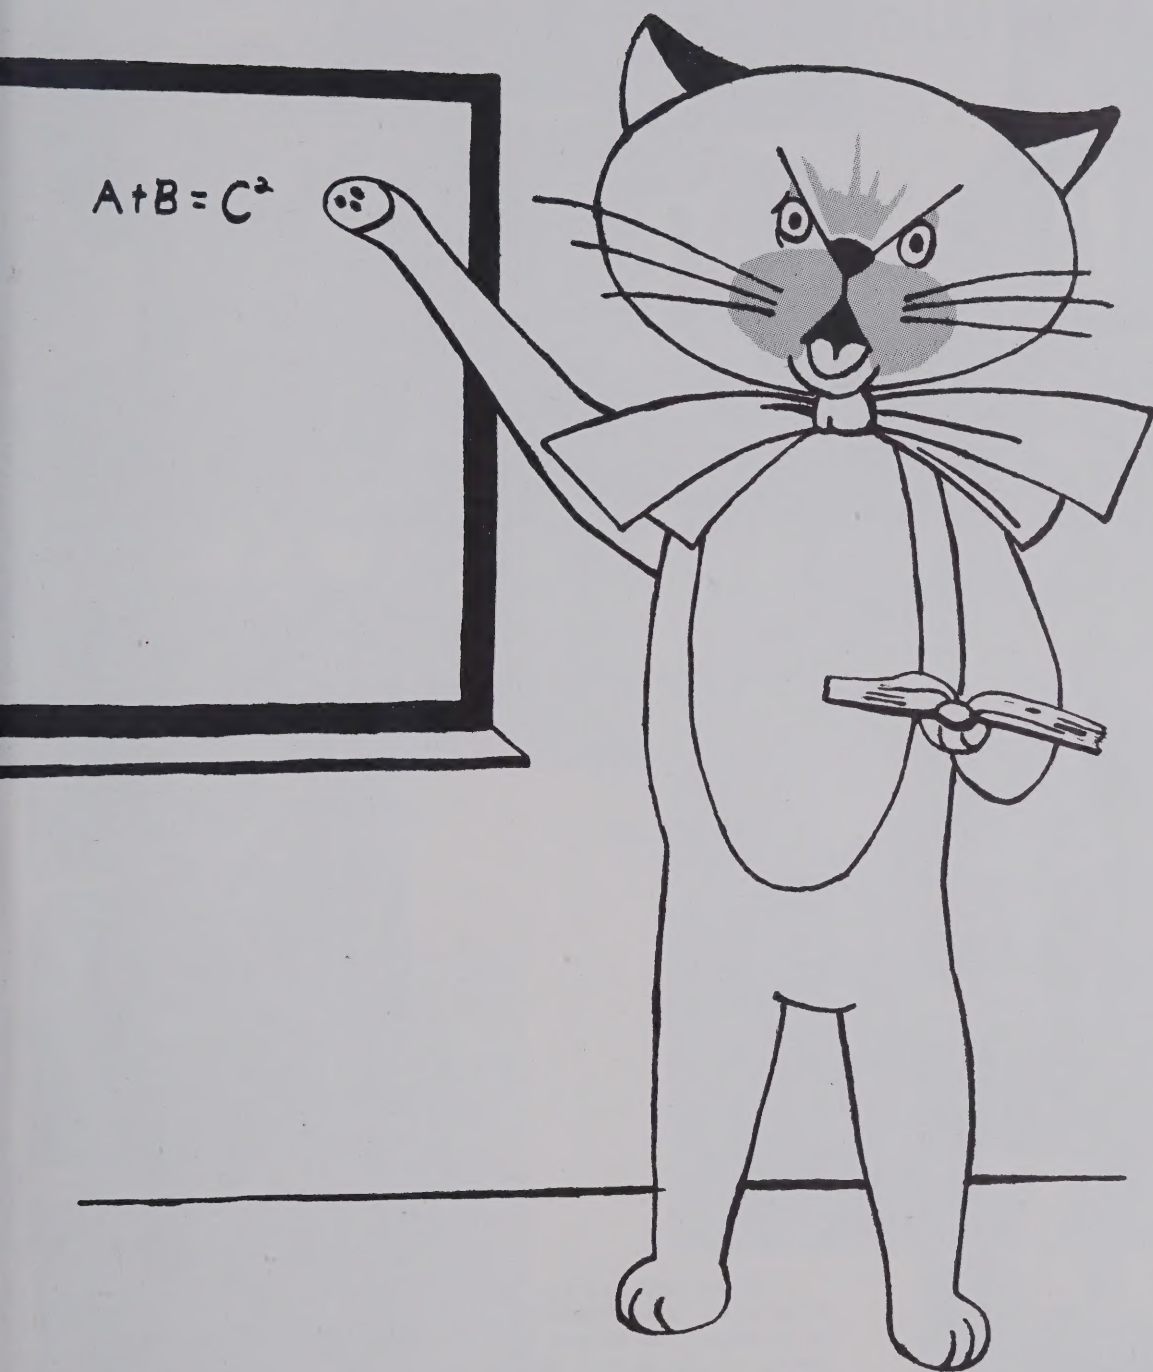

"To know, to esteem, to love,--and then to part, makes up life's tale to many a feeling heart."

--Samuel Taylor Coleridge

For the past four years to most of us, for the past twelve years to many of us, the Waterloo school has been our life. Here we have spent our days in acquiring not only knowledge to equip us as educated young men and women but also in learning such essentials of living as mutual co-operation, understanding, and respect. Through our participation in classes and clubs, at ballgames and dances, on excursions and trips we have come to know each other as individual personalities.

This book is the journal of our experiences, the record of the Class of '59. Here you will find us with our associates in the surroundings that have been essential parts of our waking hours for the major portion of our lives thus far. We came together on our first day at school as strangers; through the years as we came to know each other better, we developed a mutual respect and friendship; now, we part from each other with a sense of something lost for those who may never again come together.

PROPHECY

Today as I was watching Paul Mettert's "Noon News" on television, I heard that Don Bard has just been promoted to Dean of Tri-State College. This was followed by Steve Graham's "Farms and Farmers." Both shows are sponsored by the millionaire Tim Colbart, who made his fortune inventing undentible fenders.

Before I had a chance to turn off the television, that well-known soap opera "Peter Revolver," written by Beverly Johnston, came on. This program is sponsored by Georgia and Betty's Pizza Palace. The role of Peter Revolver was played by Jim Sutton with Margaret Smith as his gun-moll. This was such an interesting program that I decided to watch television for awhile. Next came the program "Quiet Burp." This was a Western program starring Keith Tarney with his sidekick Steve Runge. Since there is always a girl in a Western program, I wondered who would be in the show. It was Laura Lautzenhiser. She was very cute in her Western dress. This program was sponsored by Judy's Beauty Salon. Everett and the former Judy Squier are now happily married and have a home of their own in Cornua, Indiana. When I saw the advertisement of Judy's Beauty Salon, it reminded me of Virginia Rhoads, who was Judy's best friend in high school. Virginia is now a housewife happily married to her Bob.

As I saw so many of my classmates on those television programs, I began to think of all the other classmates I had at Waterloo. Where are they and what are they doing? John Platek is now judge of the DeKalb Circuit Court in Auburn, Indiana. He was admitted as judge because as a lawyer, he made the people laugh so much he never lost a case. Mary Lou Payton is very happily married. She and Deb have a family and a home of their own now. They had to add a special room to their home to house the vibraharp. Barbara Skelly is an executive secretary. She works for Macy's in New York City. I understand she practically runs the place. Bob Buss is playing basketball with the Detroit Pistons. He had the distinction of being the country's shortest professional basketball player. Wayne Myers is still digging potatoes, but he now owns most of the potato business in Indiana. Bill Clark and Jon Hire are officers in the United States Navy. The Pentagon almost never got them away from the beaches of Hawaii. Lucille Miller is teaching at Notre Dame. She is the only woman on campus; and boy, can she ever tell the students! Bill Christman is Superintendent of the Indiana State Police. I read in the newspaper that he just received this position two weeks ago. His motto always was "If you can't beat 'em, join 'em." I remember how Joe Harter always liked to work with cars. He is afraid to go fast now with Bill on the police force.

Keith Miser is making his first million dollars as a scientist. He just perfected a new moon rocket. Twenty-five people can ride in this one; the only trouble is that it's a one-way trip. Herb Rynearson is farming and working on his second million dollars. He gave up on his first million. Ruth Ordway and Dana Brandon are both private secretaries working in New York City now. Ruth does the shorthand and Dana does the typing. That way they are able to hold one job between them. Sonia Cherry's dream of becoming a secretary came true, but she didn't work long. I received an invitation yesterday to her wedding; she is marrying the boss. Wayne Luttmann's dream of becoming a scientist came true, also. He is working on getting Keith's people back from the moon. The last I heard, Dave Crossley was in Las Vegas. He just bought half of the city with money he won there using his private formula. Barbara Makovicka now lives in Los Angeles. Mac's job took them there. I remember her as Barbara Kline. Ken Harding and Tom Gettys are still around Waterloo. Tom is married to the former Sharon Harris, but Ken is still looking. Bill Kennedy bought what used to be Sherburn's Standard Station with tips he saved over the years. It is now known as Bill's Super Service. Dave Coleman is teaching agriculture in Waterloo High School. He recently turned the baseball diamond into a corn field. Dale Myers is married to Pat Patterson; he has a \$10,000 a year job in Chicago, Illinois, as a straight man to the monkeys in Lincoln Park Zoo.

CLASS POEM

For W.H.S.
we really shine;
We are
the class of '59.

At the top of the list
is one named Don,
And our annual editor's
name is John.

Dana is the best
typist by far,
Then Bob Buss,
who's a basketball star.

Next in line
is Mary Lou;
To her fiance
she's true.

For "pizza"
they are always ready;
Yes, it's
Georgia, Maggie, and Betty.

In the senior play
the little black spark
Was none other
than Bill Clark.

Dave Crossley is
a lot of fun.
Dave Coleman is
a doctor's son.

With friends
Bill Christman is a card,
But in class
he studies hard.

Judy Squier is bound
to marry,
But who knows what
for Sonia Cherry?

We have two class jokers--
one is Jim,
The other one is
good 'ole Tim.

In speech they make noise
like a bomb;
They are
Herbie, Ken, and Tom.

Our magazine sales
were topped by Joe;
Then there's Steve R.,
who never drives slow.

But not Steve G.---
when he comes to town,
Or Bill K.---
they always slow down.

Jon Hire is
a bashful lad,

And in class
he is never bad.

Barbara Kline is
our class queen;
At the summer festival
she reigned supreme.

Lautzenhiser--
who can spell it?
None but Laura
so they tell it.

Wayne L.,
a smart Corunna boy,
Comes to school
for lots of joy.

Lucille Miller
is college bound;
She's one of the best
to be found.

Keith Miser really
gets a charge
When with his camera
he's at large.

To these two,
basketballs aren't toys;
They're Dale and Wayne--
the Myers boys.

Every noon
in study hall
You can be sure
you will find Paul.

Virginia is another
bride-to-be,
But Bev and Ruth
will wait and see.

Barbara Skelly works
like a trooper;
At helping our class,
she is super.

When it comes
to being tall,
Our own Keith Tarney
tops them all.

We wish to thank
our sponsors true;
Without their help,
what could we do?

These are the names
that rise above;
They're Mrs. Love
and Mr. Dove.

Who wrote this poem?
so you will know,
I'll sign my name
before I go.--Judy Till

SENIOR PLAYS

Ambrose Groves and Bert Miller, two would-be vaudeville comedians, were crossing the desert bound for California when they were "kicked" off the train at Dead Man's Gulch. They are mistaken for the West's most fearless cowpunchers, Homer the Kid and Gun Smoke. Carter. Ambrose gets everything in a terrible state, even to the extent that he almost gets himself hung. Even though he doesn't get the heroine, everyone is happy in the end.

When Melissa arrives at the Hollowbone home, the fireworks begin. All turns out well in the end, however, and everyone is happy once again.

CLASS HISTORY

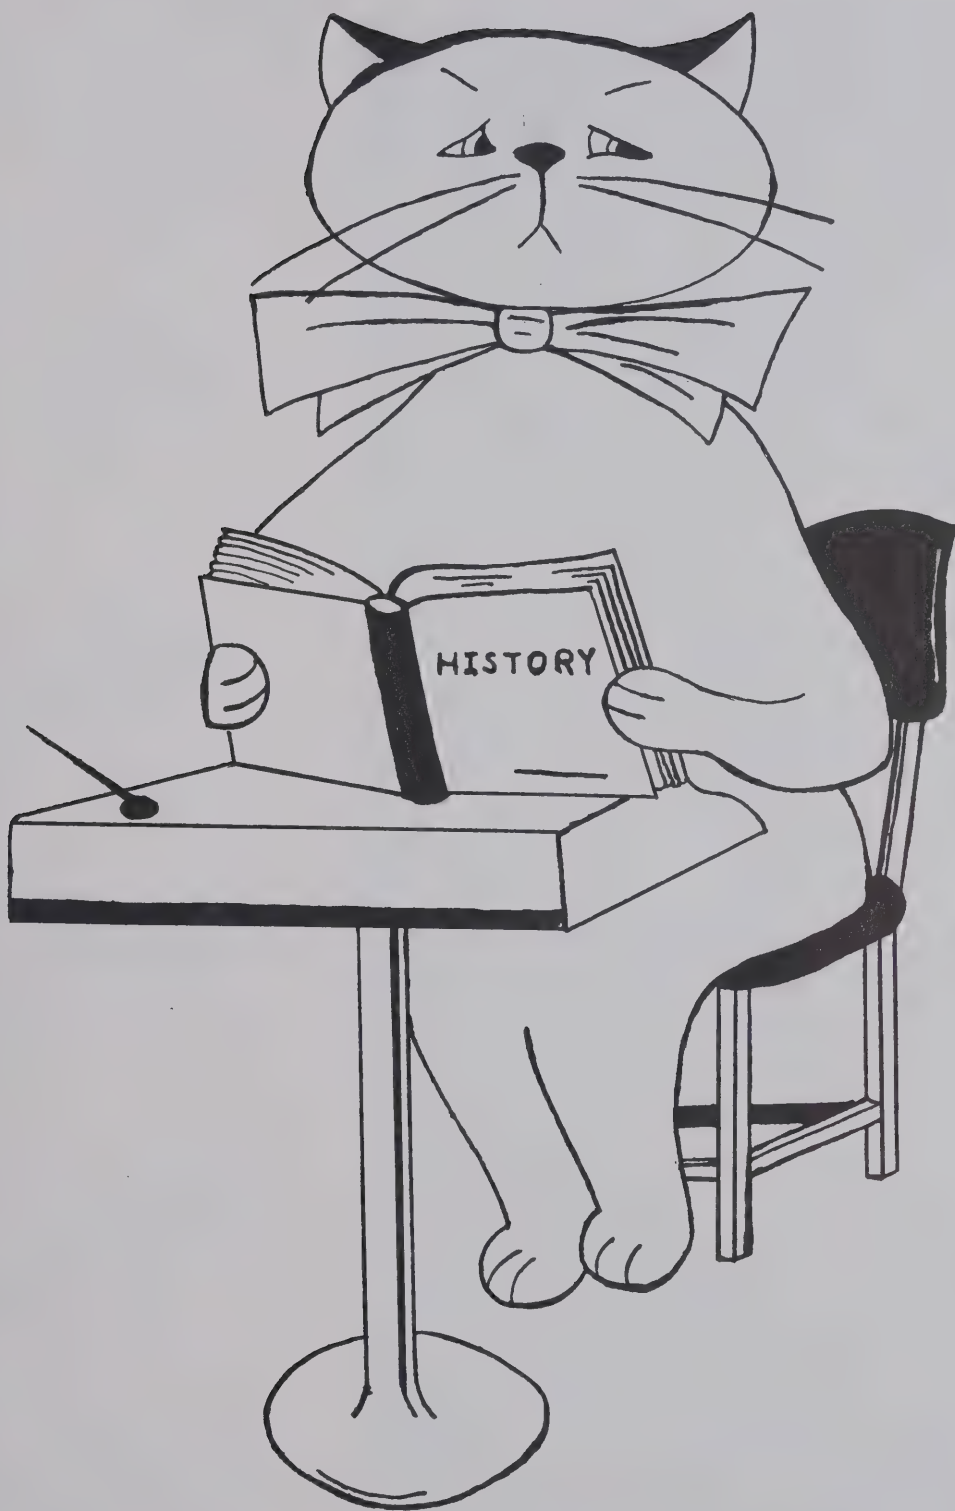

Twelve years ago as first graders twenty-six of us entered Waterloo-Grant Township School. Of this group thirteen have remained to the end. In no time at all we were entering junior high, and these two years were climaxed by our eighth grade graduation.

At last we entered high school with Mrs. Marcelle Voss as our freshman sponsor. Our first project to start building funds for our senior trip was a skating party. In our sophomore year Mr. Albert Berg, our class sponsor, helped us through our card sales, bake sales, and the buying of our green and white class sweaters. Our junior year was filled with work. Mr. L. C. Ford guided us very successfully through this year. There were sock hops, cookie sales, and the concession stand. This was the year we got our class rings. It was also this year that we gave one of the most successful plays presented at Waterloo "Headin' for a Weddin'."

In September of 1958 we entered school with a new dignity. This was our busiest and most interesting year. Everything we had worked for was to come to a climax this year. Our senior year found us presenting another successful class play entitled "Desperate Ambrose." Mr. Robert Dove safely guided us through our paper drives and magazine sales.

On graduation night we received our diplomas signifying that Waterloo school days are behind us. We will always be grateful to our parents and teachers who have helped us along the way.

The Beta Club is a national honorary society for students who distinguish themselves in scholarship, leadership, and service to others. Founded in Spartanburg, South Carolina, in 1933, the National Beta Club is an offshoot of Phi Beta Kappa, which recognizes outstanding scholastic work in the colleges of the United States. There are now 2500 Beta chapters throughout the United States. The Waterloo group has the distinction of being the northernmost Beta chapter.

On November 8 and 9 senior members attended the Indiana State Convention in Indianapolis. Two significant honors came to Waterloo as a result of the convention: Joyce Dunn was elected State Vice President and Mrs. Love, State Sponsor.

In December members performed a service to their community when they took over the TB drive among members of the student body.

March 13 was the date of this year's annual Beta Royal Ball, the main social event of the high school season. A prize of twenty-five dollars was given to the class whose candidates won the King and Queen contest.

The Beta Club compiles the Honor Roll each six weeks and at the end of each semester to give recognition to all students who achieve scholastic success in their courses.

Since its founding here in 1956, the Beta Club has truly taken its place as an integral part of the student life at W. H. S.

The Y-Teens are the largest and oldest organized group at W. H. S. Comprised of all interested girls from the sophomore, junior, and senior years, the Y-Teen organization is a division of the Young Women's Christian Association, which sponsors such groups throughout the world. With their main objective of helping others always in mind, the Y-Teens stand prepared to lend a hand wherever needed. Thus they grow in Christian character.

In October Y-Teens from four district clubs met at Lake James for a day of fellowship and sharing ideas. Angola Y-Teens served as hostesses for the conference. In December members went caroling and then enjoyed the annual Christmas party at the home of Mrs. Love. This year the Betz Nursing Home was included in their caroling tour. In January in order to help the treasury and at the same time encourage school spirit, the Y-Teens sold W. H. S. sweat shirts. Early spring found a group of members off for Chicago and a weekend of sight-seeing in "the Windy City." They found that walking shoes came in handy as they visited the museums and toured "the Loop" on foot. A visit to different churches in Fort Wayne was planned for late spring to acquaint members with the beliefs and rituals of different religions.

Very important to the work of the Y-Teen organization are the Y-Teen mothers, who give unselfishly of their time and effort to the different projects. Two mothers are elected from each class for terms of three years. The present Y-Teen mothers are Mrs. Charles Smith, Mrs. Robert Nessel, Mrs. Clark Platt, Mrs. Raymond Dunn, Mrs. Clifford Hall, and Mrs. Roscoe Nice.

DRUM MAJORETTE

The forty-five piece marching band began its season last summer by appearing at the Peony Festival in Van Wert, Ohio. Judy Till was selected as one of the six best drum majors from the forty bands participating in the parade. The band participated in two parades and many concerts at the Waterloo Festival. Beginning the school year, the marching band appeared several times at the DeKalb County Fair. The band performed at three home basketball games and also at Fremont.

The concert band had several concerts in the park last summer along with a concert at the dedication services of the DeKalb Rest Park. This band also performed at the Waterloo Pioneer Days last fall. The concert band will again participate in the annual district music contest and the spring concert. For the first time this year the band joined the Edgerton, Ohio, band and presented a concert at the Waterloo High School. Next year the Waterloo band will travel to Edgerton to join their band for a concert. The season ended by playing for the eighth grade graduation and senior commencement exercises.

BASKETBALL

The Wildcats played their first game at home against Harlan and lost. Harlan with a slight height advantage never had to worry as to the outcome. Although Waterloo played a rather ragged game, they had moments when they exhibited their possibilities to the fans.

Our second game at home was played against Riverdale. The teams played fairly evenly the first half. The half ended with Waterloo leading 17-14. The remainder of the game was a repeat performance of the first half until late in the fourth quarter. Riverdale pulled within 1 point. On a foul by Waterloo, Riverdale made both free throws to win the game.

With a height advantage Waterloo took the lead at the start. Although Waterloo led throughout the first half, we were never a large lead and at the halfway mark we were ahead only 6 points. In the third quarter Waterloo increased it to 12. However, with about five minutes to go Keith Tarney fouled out to be followed shortly by Dale Myers. Disheartened by the loss of their pivots, Waterloo began losing out while Butler poured on the steam to win the game. Bob Duss took scoring honors with 24 points.

Waterloo traveled to Avilla for their fourth game. It was a close game all the way. Waterloo led at the end of the first quarter. However, in the second quarter Avilla forged ahead to lead at the half. The last half was a repeat performance with first one team leading, then the other. At the end of the regulation game the score was tied causing it to go into an overtime. In the overtime period both teams scored several buckets. Then with seconds to go, Dave Carroll was awarded two foul shots and made them both to win the game. Dale Myers was high scorer with 15 points.

Waterloo's fifth game was played at home against Garrett. The first quarter the scoring was just about even. After that Garrett pulled away and at the half was leading by 15 points. In the last half Waterloo was unable to gain while Garrett could not pull farther ahead. The game ended with the score Garrett 64, Waterloo 49. Dave Carroll was high point man for Waterloo with 14.

Waterloo met Hamilton for their sixth game of the season. Both teams were evenly matched for height. Hamilton scored first, but Waterloo quickly scored to tie the score, then go ahead. Throughout the first half Waterloo continued to lead by a small margin. In the second half Hamilton would score several points to come within a few points of Waterloo, and then Waterloo would quickly bring the score back to the previous status. In the last period with Waterloo leading by 10 points, Hamilton employed a full court press to come within 2 points.
